10/12/2009 - Supplementary regulations FIM Ride Green Eco Enduro

The result is placed on the race official bulletin board in Hall # 2

participants

International riders must have: FIM International Meetings licence (annual or one event) a UEM International Meetings licence (annual or one event) or any UEM or FIM annual licence Motocross, Enduro, Cross Country Rallies.

Price for participation is € 3600, - / Entry. The amount covers the following: Participants - Accommodation in caravan / chalet from December 10 to 13, transportation between stages, evening buffet on December 10, breakfast-lunch and dinner buffet on December 11 to 12, breakfast-lunch December 13. Electricity during the race and party on December 12.

allowed motorcycles

All electric motor bikes MX / Enduro type can participate - even prototypes. However, the following must be met:

Range - on one charge under competitive conditions: minimum 15 Km. Charging time: maximum 2 hours.

battery

In order to make sure participants are able to run the full length of all SS it is compulsory that participants have 2 batteries available. If 2 batteries are not available it might not be possible to run the full length of all the SS. It will, if the bike complies with the minimum autonomy of allowed bikes, be possible to complete 1 lap of each SS. In the case of a driver not being able to complete a full SS because of battery capacity the rider will be given maximum time on the SS.

technical and administrative

Technical and administrative scrutineering will take place in the 10 of Dec. 16:00 in hall #1. At the same time riders will receive transponders and lights for the nightstages.

parc ferme

The race does not make use of parc ferme.

classes

The motorcycle will race in 2 classes: Pro 1 and Pro 1 "ladies" The overall 1-2-3 is awarded prizes - additional prizes for the 1-2-3 in the women's class.

starting order

Starting order will be decided by the race jury and will be announced by posting notices on bulletin board in hall # 2 After SS1 the starting order is the result from previous SS. Fastest rider start first.

schedule

It is the driver's responsibility to keep themselves informed of any changes in schedule. Any changes will be announced at the race official bulletin board in hall # 2

special stages

Be aware that the race officers can not guarantee completely closed stages (SS) There may occur animals and people on the trail who can not hear you coming - so please be alert at all times.

10/12/2009 - Supplementary regulations FIM Ride Green Eco Enduro

The race is being run as a traditional enduro race - except for transport stages. The terrain to be covered will be sandy tracks in pineforrest - grass - and some artificial obstacles.
